10 Holiday Gift Ideas for the Ladies on Your List

Presented by Chloe Wine Collection

Another holiday season brings another gift conundrum – what do you get for the girl who seems to have everything? From her style savvy to attention-grabbing Snapchats, her latest promotion to always knowing the hottest nightspots, she’s a 365-day powerhouse. Let her know you appreciate her with these ideas that think outside of the (gift) box.

1. **Nantucket Needlepoint Embroidery Baseball Hat:** Winter temps leave her longing for “rosé all day” on summertime Nantucket. Help her channel that island spirit with this 100 percent cotton Nantucket Needlepoint Embroidery Baseball Hat by Harding Lane. All she needs now is a bottle of Chloe Wine Rosé and she’s back at ACK, if only in her dreams. *Available at Town Pool pop-up store, 899 Boylston Street, \$35.* Bonus: Get in on a mini-golf game in Town Pool.
2. **The Bali Experience at G2O Spa + Salon:** Turn Ladies Who Lunch into Spa Sisters with a group respite from holiday stress like this exclusive treatment at G2O. It combines herbal infused steam with a refreshing ice fog, rainforest sounds, and glowing ceiling lights in the Experience Room for up to eight guests. Begin with a DIY application of fruit extract crème and salt exfoliation, and then finish up with a surprise shower of refreshing rain. *G2O Spa + Salon, 278 Newbury Street, \$65 per person*
3. **Birchbox Membership:** For the savvy beauty junkie on your list, this monthly delivery brings five high-end products right to her door. The beauty samples cover all the bases – hair, makeup, skincare, body – with big names like Clinique, stila, Bobbi Brown, and Burt’s Bees to name a few. *Available at Birchbox.com, \$30-\$110*
4. **Chloe Prosecco:** There’s no better time to toast friendship than the holidays. Forgo the typical vino and instead choose this bottle of bubbly from Chloe Wine Collection, bursting with flavorful notes of peach, green apple, citrus, and white flowers. Every sip captures the flavors of 100 percent Glera grapes from roughly 60 acres of vineyards divided among a handful of small growers in Italy. *Find a carrier of Chloe prosecco closest to you by using this location finder.*
